

HIGH-POWERED CLEANER THAT'S SAFE ON THE ENVIRONMENT...

TOUGH ON GREASE & GRIME!

SC-14

READY-TO-USE CLEANER & DEGREASER

■ **SC-14®** is a High-Performance Cleaner that **Removes Grease, Grime, Hydrocarbons & Organic Deposits** safely from any surface, including metal & painted finishes*. Using an intelligent cleaning process that targets only oil-based grime instead of using harsh chemicals or surfactants to strip dirt from any surface, **SC-14** is both highly effective at cleaning and degreasing while remaining safe for the environment and the user. Best of all, **SC-14** is safe on all sensitive surfaces that would normally be off limits to other cleaners – chrome, aluminum, painted finishes, decals, textiles, leather, plastics and electronic components. Degrease parts and tools, or wash complete vehicles and equipment without dulling, corroding or oxidizing – one cleaner does it all.

*See product label for specific info.

SC-14 is an effective cleaner for...

- Heavy Equipment / Engines / Machinery & Tools
- Off-Road / Track race vehicles & FR Racewear
- Trucks / Cars / Motorcycles / RVs / Boats / Airplanes
- Bilges / Inboard / Outboard Motors
- Filters / Oil/Water Separators / Rubber
- Service & Repair / Machine Shops
- Workshops / Garages / Stainless BBQs & Appliances
- Stainless Steel / Chrome / Aluminum / Fiberglass / Textiles
- High Performance Paints / Decals / Plastics / Gel-coat

Available in quarts, gallons, 5 gallons, 55 gallon drums and 275 gallon totes. Read product label for specific detailed info.

SC-14

Residue-Free CLEANER & DEGREASER

808. 677. 2990

VEHICLES, POWER TOYS & WORKSHOPS

Not only is SC-14 safe on the environment, it's safe on painted surfaces and sensitive metals like exposed aluminum and chrome. This makes **SC-14 All-Purpose CLEANER** the ideal wash for your entire motorcycle, truck, hotrod or power toy - clean grease and grime from interiors and exteriors effectively. Just spray on and wipe clean without dulling or corrosion.

TOOLS & EQUIPMENT

SC-14 Cleaner & DEGREASER replaces many other damaging petrochemical cleaners and highly aggressive solvent degreasers delivering safe and effective cleaning of most engine parts and tools without fear of oxidation, corrosion, dulling or compromised equipment function. Save time by washing entire components with rubber seals intact. *

TEXTILES & LEATHER

Keep your **FR coveralls, racewear, ride gear and leathers** free of oil build-up, grease and nasty carcinogens commonly encountered in motorsports. SC-14 bonds to oil, grease and soot and washes away permanently with just water leaving a residue-free surface – without damaging the protective elements such as Nomex®, waterproof membranes, and other technically protective textiles.

HELMETS & HARNESSES

Used extensively by Firefighters nationwide to clean their most important protective clothing and safety equipment, SC-14 cleaning technology cleans even the most stubborn grime off helmets, harnesses and safety gear in just a few minutes. SC-14 All Purpose Cleaner & Degreaser can help effectively clean while extending the life of your equipment by safely removing oil, grime and toxic contaminants that come in direct contact with human skin. SC-14's unique cleaning process removes dirt without leaving cleaner residue or unpleasant odors behind in your gear.

*See product label for specific info.

ABOUT SC PRODUCTS

For over 20 years, we've delivered high performance, specialized cleaners and all-purpose degreasers that are **SAFE** and **EFFECTIVE**. Permanently remove oil, grease and hydrocarbons without damaging the very thing you're trying to clean. Our unique line of biodegradable products are trusted by professionals in a wide spectrum of industries including automotive, marine, janitorial, oil & gas, mining, and firefighting.
